Natalia Pineda Betancur to serve as Chief Road Concessions Officer

Interconexión Eléctrica S.A. E.S.P. (ISA) reports that Natalia Pineda Betancur will take office as acting Chief Road Concessions Officer as of March 19, 2025.

She has more than 22 years of experience in strategic targeting, business growth and development, investment banking, project management, and corporate management. At ISA she has served for 17 years as a New Business Specialist and since 2021 she has been the Planning and Roads business unit director. She is also a member of boards of directors in Colombia, Chile, and Panama.

Some of the achievements during her tenure include the following:

- Leading teams for the structuring of bids for almost 40 projects worth more than USD 4 billion in investments, covering all of ISA's business units.
- Co-leadership in the acquisition of Intervial Chile, today ISA Vías in Chile, which meant ISA's entry into the Roads business unit and the Chilean territory.

- Leading the negotiation of alliances for the growth of the Roads business unit in Colombia and Chile.
- Consolidating the governance model of the Roads business unit, generating synergies between ISA's Chief Road Concessions Office and the companies operating in Chile, Colombia, and Panama.

Mrs. Pineda is an administrative engineer graduated from the Universidad Nacional de Colombia, a specialist in corporate finance at the School of Engineering of Antioquia, has an MBA - *Sloan Fellows Program in Innovation and Global Leadership* from the *Massachusetts Institute of Technology* (MIT) and two certifications in sustainability and *business analytics* from the same institution. Additionally, she has studied corporate governance in CESA, negotiation and leadership in Harvard, and Business at the *West London College*.

We wish Mrs. Pineda many successes in her role. We highlight her human leadership and her ability to inspire others with passion and commitment.
