

CARBON NEUTRAL CERTIFICATE

ICONTEC certifies that the organization's Carbon Neutrality specifications:

INTERCONEXION ELECTRICA S.A. E.S.P. ISA and its Companies

Calle 12 sur N° 18 -168.

Medellin, Colombia

(see covered facilities on page 2)

They have been evaluated and approved with respect to the requirements demanded in the:

ICONTEC'S GUIDE TO CARBON NEUTRAL VERIFICATION AND CERTIFICATION

This certificate recognizes the commitment and definition of a policy or strategy that includes neutrality and the development of a program for the management of Greenhouse Gas emissions, resulting from the quantification of the same, by the organization INTERCONEXION ELECTRICA S.A. E.S.P. ISA and its Companies, with the purpose of neutralizing their emissions.

The neutralization was carried out by means of recognized and approved compensations which comply with the principles of: transparency, relevance, reliability and accuracy.
