RELEVANT INFORMATION

We would like to inform you that Luis Alfonso Naranjo Correa, who had been working as Procurement Director, submitted his letter of resignation and will work with the company until April 18, 2025, to take on a new personal and professional challenge in a company in the mining sector.

During his tenure, Luis led the standardization and homologation of the procurement process in the different ISA companies in Latin America, as well as the incorporation of analytical and market intelligence tools.

While the selection and hiring process for this role is being carried out, Carlos Augusto Quintero Monsalve, who has been with the company for more than 13 years and has worked as a Procurement analyst and specialist, assistant manager in charge of Procurement at ISA REP and is currently the coordinator of the team of category managers at ISA, will be in charge of this role.

Carlos is a production engineer from EAFIT and has a specialization in Management for Engineers from UPB. He has more than 25 years of experience and has worked in companies such as Papelsa and Prebel.

We thank Luis Alfonso for his contributions to our organization and wish him the best of luck in his new projects. We also wish Carlos Augusto every success in his term of office.
