ISA announces the appointment of Salomón Arango Puerta as Director of Financial Resources

Interconexión Eléctrica S.A. E.S.P. (ISA) announces that, as of today, January 19, Salomón Arango Puerta assumes the role of Director of Financial Resources, a position that had been held in an acting capacity by Pablo Botero Villegas.

Salomón brings more than 15 years of experience in corporate finance, strategic planning, and merger and acquisition processes within multilatinas companies. He has worked across various sectors such as energy, retail, infrastructure, real estate, e-commerce, and financial services, leading investment decisions, business structuring, and financial transformation processes.

Interconexión Eléctrica S.A. E.S.P. (ISA) announces that, as of today, January 19, Salomón Arango Puerta assumes the role of Director of Financial Resources, a position that had been held in an acting capacity by Pablo Botero Villegas. Salomón brings more than 15 years of experience in corporate finance, strategic planning, and merger and acquisition processes within multilatinas companies. He has worked across various sectors such as energy, retail, infrastructure, real estate, e-commerce, and financial services, leading investment decisions, business structuring, and financial transformation processes.

His experience also includes international work in Germany involving analytics processes, automation, and process design, as well as the structuring of business models and profitability frameworks in other companies in the country. Additionally, he has worked in Hydrogen Finance and at the Medellín Chamber of Commerce.

Salomón holds a degree in Administrative Engineering from the Escuela de Ingeniería de Antioquia and a master's degree in Business Administration and Engineering from the Hochschule für Technik und Wirtschaft in Berlin.
